FINANCIAL POLICY

Thank you for choosing Parkway Podiatry as your foot health care provider. We are committed to your treatment being successful. Please understand that payment of your bill is considered a part of the treatment. The following is a statement of our Financial Policy, which we require that you read and sign prior to your first treatment.

All patients must complete insurance forms and personal history forms prior to seeing the doctor. Full payment is due at the time of service. The following are acceptable forms of payment: **CASH, CHECKS, and MAJOR CREDIT CARDS.**

Insurance Policy:

- We accept assignment on most insurance benefit plans. In the event your insurance company does not pay the assignment within 60 days, the balance will then be your responsibility. Please note that some and perhaps all of the services may be considered non-covered or reasonable and necessary services under your plan. In that event, you will ultimately be held responsible for the fees. We will advise you of any non-covered services prior to treatment. All deductibles and co-payments are your responsibility.
- On certain occasions your insurance company may send the check directly to you. In such an event, please sign the back of the check and immediately bring it to the office. Should you not do so, you will become liable for the entire amount billed to your insurance carrier.

Cancellation / No Show Policy:

- **Effective April 19, 2021** any patient who fails to show or cancels/reschedules an appointment and has not contacted our office with at least 24 hour notice will be considered a No Show and a $25.00 fee will be charged to the credit card on file. If no card is on file, this amount will be due at the time of the next visit.
- We understand there may be times when an unforeseen emergency occurs and you may not be able to keep your scheduled appointment. If you should experience extenuating circumstances please contact our Office Manager, who may be able to waive the No Show fee.
